English Speaking Day

Every Thursday is English Speaking Day in which all public announcements, the morning assembly, and classroom management is conducted in English. In addition, every Thursday morning several teachers from the English Department and other subject departments will chat with students in the Covered Playground. A new theme is selected each week and teachers given question cards to use for starting up a conversation in English with students of all forms and levels.

Learning English by Themes

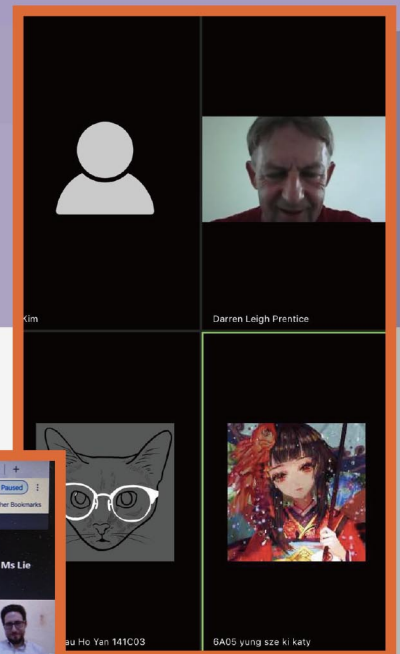

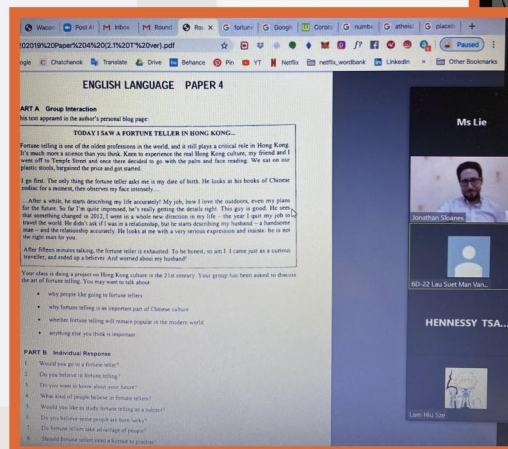

Apart from numerous class activities, our school also provides different opportunities for students to learn English in a fun way. There are English hall assembly with pop quiz and games, Trick-or-treat in Halloween, song dedication, game stalls and vocabulary quiz in English week and many more. Each of the activities has a theme so as to increase students' sense of relevance to use English.

Extension of online English e-Learning during class suspension

Despite the class suspension due to the outbreak of Corona Virus, our school has actively explored the ways to provide English learning activities online. Conducting real-time video conferencing session via Zoom is a remarkable example of how we provide opportunities for our students to practise their English speaking with our NET teachers.

Lunch Time Oral Practice

Throughout most of the school year, from September to May, all the students in Forms 4, 5 and 6 are scheduled to meet regularly in groups of 4 to discuss topics together in English as part of their preparation for the DSE English Paper 4 exam. These discussions take place during lunchtime as well as after school.

English Assembly

4D Kitty Yu

It is a great opportunity for me to go up on the stage during the morning assembly. Taking up this challenge to speak English in front of many people, I displayed my courage and had an unforgettable experience as I could share my point of view of some Marvel's superheroes with schoolmates.

4D Natalie Chow

It was my first time to do sharing in English at playground and I was so nervous that my pronunciation is wrong. Soon after the sharing, I realized that my worries were unnecessary as the most important part of public speaking is to arouse the interests of audience. Despite the tense atmosphere, I am still fond of my voice being heard.

I was always confident about my English since I can always get the best grade among my fellow classmates. However, I've found out that I was actually not that good and had many to learn in English when I first joined the English Public Speaking Club. Not only does public speaking require fluency, grammar and pronunciations, but it also consists of flexibility, courage, body language, and reactions. I learned to be a better speaker in English and I appreciate this wonderful and meaningful experience to be my stepping stone in my great journey of English learning.

I firstly thought that English public speaking is pretty lame but after I joined it I quickly realised that the classes are lively and well-designed. With the help of the club my skill of speaking improves significantly and that's why I sincerely appreciate how much the teacher in the class using their best to teach us making me become able to communicate with people in a more confident manner.

NET Teachers and others

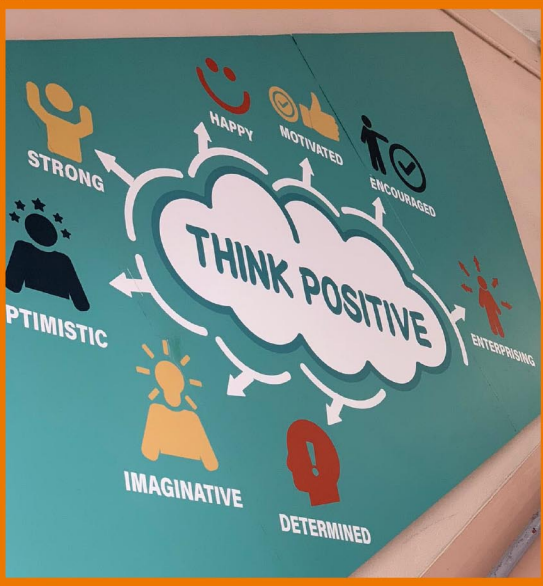

Two NET teachers are employed by the school to support and to promote the policies and programs of the English Department aimed at creating an English rich environment within the school and to give LPL students as many opportunities as possible to engage with the language. NETs and LETs form part of a team effort to address the needs of ESL learners whose primary contact with English is in school. The following activities are conducted by the English Department in addition to regular English lessons for the benefit of our students:

- English Speech Festival
- English Week
- English Budding Programs
- Joint School Mock Oral Exam Practice
- Lunchtime and after school speaking classes
- E-learning
- And many more

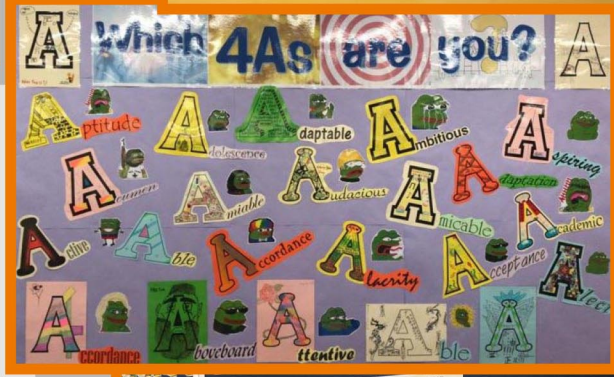

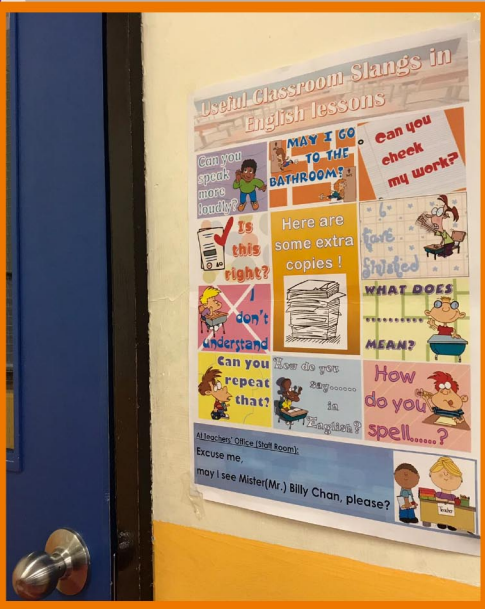

English Around Campus

This year, our school is decorated with a lot of English elements. Students are exposed to more English through various slogans and mottos displayed in different parts of our school including playground, corridors, stairs and even classrooms.

新老師介紹

蔡芷欣老師

大家好 我是蔡芷欣老師，於本年度擔任2D班的班主任，主要任教中文科。我的身份較為特別，既是新老師，也是此校的舊生，很感恩能在母校工作，以另一角色加入百樂大家庭。學校是學生第二個家，是學生健康成長的園地。在未來的日子，本人會與同工竭盡所能，盡心教導學生，也成為他們的「引路人」，讓他們能在人生道路眾多的十字路口，選擇適合自己的路。

陳凱斌老師

大家好，我是任教英文科的陳凱斌老師，很高興今年能夠加入劉百樂中學這個大家庭。這數月裏，感謝校長、副校長及各位老師的幫忙，讓我這位新鮮人能更快投入學校的工作和生活。

劉百樂的學生跟我一樣活潑好動，希望大家能投入這份精神於學習，亦能學懂堅持的重要性，擴闊自己的胸襟和眼界，發憤圖強，為自己的未來作打算。我更希望學生們能培養良好的品格，即使各位將來無論投入哪個行業，也能成為為這個社會出一分力的人才！共勉之。

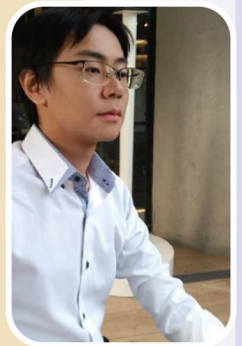

鄭蔚晴老師

大家好！我是鄭蔚晴老師，是今年加入劉百樂中學的新老師，主要任教通識教育科及歷史科。「博學力行」是劉百樂中學的校訓，加入劉百樂，希望可以實踐我的教學所長，幫助學生學習，並能夠做到教學相長。此外，我亦希望能夠為劉百樂出一分力，與老師們一同給同學們締造一個良好的校園氣氛，讓同學更熱愛學習。

林乾鋒老師

我在劉百樂中學工作已經四個月，主要任教數學科和電腦科。非常感恩學校提供了一個舒適的工作環境，當中還有一班互相幫助、親切的同事，每當我遇到什麼疑難，同事們也會為我一一解答，甚至乎主動為我解決困難。而劉百樂的學生很活潑，希望可以花更多時間互相了解，讓教學更具效能。

馬偉霖老師

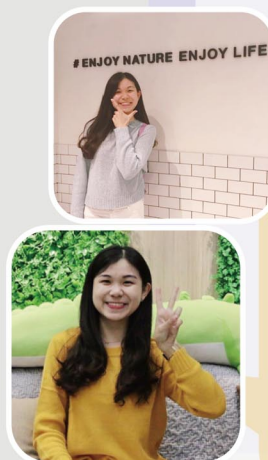

大家好！我是馬偉霖老師，任教數學科和物理科，很榮幸能成為劉百樂中學這大家庭的一份子！我曾經「考第尾」，對學業感到灰心，但當我看見夢想和未來的目標時，就發奮用心上課和努力溫書，感恩我遇著一群好老師，願意扶持和幫助我，使我考上全班第一名，考進心儀的大學及學系，也讓我決定成為一位老師，陪伴同學們一起學習和成長！鼓勵同學們努力去築夢！作夢時，要先看見高度，才會延伸寬度。築夢時，要先伸展寬度，才能看見高度！

王俊欣老師

大家好，我是王俊欣老師，很高興能成為劉百樂中學的一份子！我本年擔任中二級班主任，主要任教中國語文科及通識教育科。

我的啟蒙老師曾說過：「想法決定命運。」想法是人的核心，若以正面想法面對難關、堅持不懈，成功便指日可待。人生充滿挑戰，盼望在未來日子能與大家一起學習和成長；即使嘗「百」般滋味，點滴仍「樂」在心頭。請各位多多指教！
